(From Friday's Bully.)
The people of Abdiene are learning that the opera house meetings are decidedly interesting and attractive. Last night, half an hour before the time of the opening of the evening service of the conference, people were being turned away because of the luability of the room to contain more.

The Columbian chorus rendered a selection, Mrs. C. F. Mend sang a solo and Rev. Brumbaugh presided.

The object of the meeting was the educational work of the church and two strong addresses were made. Rev. J. K. Miller was unable to be present, and in his place was Roy, Frank Crase, editor of the Omaha Advocate, and one of the West's brainiest men. He opened with a 20 Minute talk on the thig church," the world. Its leaders are enthusiastic, wideawake and progressive. They never sleep and never halt.
